

Vision Week

July 10-15, 2017

Vision Loss Is Not a Normal Part of Aging (adults)

-Tuesday, July 11, 7:00 p.m.

-We'll discuss the vision changes we can expect as we get older.

Eyes In the Library (preschool – age 7)

-Wednesday, July 12, 11:00 a.m. & 7:00 p.m.

-Kids, learn how to protect your eyes for the future.

The Teen Seen (age 13 & up)

-Wednesday, July 12, 2:00 p.m.

-Teens can experience vision loss simulations, learn some eye facts, and have fun with optical illusions.

C. Well Bunny Story Time (toddlers)

-Thursday, July 13, 1:30 p.m.

-C. Well Bunny provides an interactive program to help young children to understand eye health and safety tips.

All four programs include **FREE** vision screenings.
